Audit Oversight Challenges

Audit Oversight Challenges

Lack of Registry of Audit Firms and Self-Employed Auditors

Lack of effective measures to hold audit firms and self-employed auditors accountable for breach of audit procedures

Lack of skilled human resources

SOLUTIONS

Draft Law of the Republic of Belarus on Amendments to the Audit Law of the Republic of Belarus

Implementation of the international standards on auditing as technical regulations in the Republic of Belarus

Establishment and maintenance of the registry of audit firms, self-employed auditors, and auditors

Strengthened external audit quality assurance and measures to hold audit firms and self-employed auditors accountable for violation of the audit legislation of the Republic of Belarus

Draft Law of the Republic of Belarus on Amendments to the Audit Law of the Republic of Belarus

Has amended Article 5 of the Audit Law of the Republic of Belarus

whereby the Council of Ministers of the Republic of Belarus together with the National Bank of the Republic of Belarus shall establish a procedure for implementation of the international standards on auditing issued by the International Federation of Accountants as technical regulations in the Republic of Belarus.

Draft Law of the Republic of Belarus on Amendments to the Audit Law of the Republic of Belarus

Has introduced new Article 5.1. State Registry

Which determines the procedure for entering audit firm, self-employed auditor, and auditor data in the State Registry and grounds for a decision to deny entering such data in the State Registry or deleting it from the State Registry.

Audit firms not entered in the State Registry will be prohibited from providing audit services.

Liability for non-compliance with the requirement has been introduced.

Draft Law of the Republic of Belarus on Amendments to the Audit Law of the Republic of Belarus

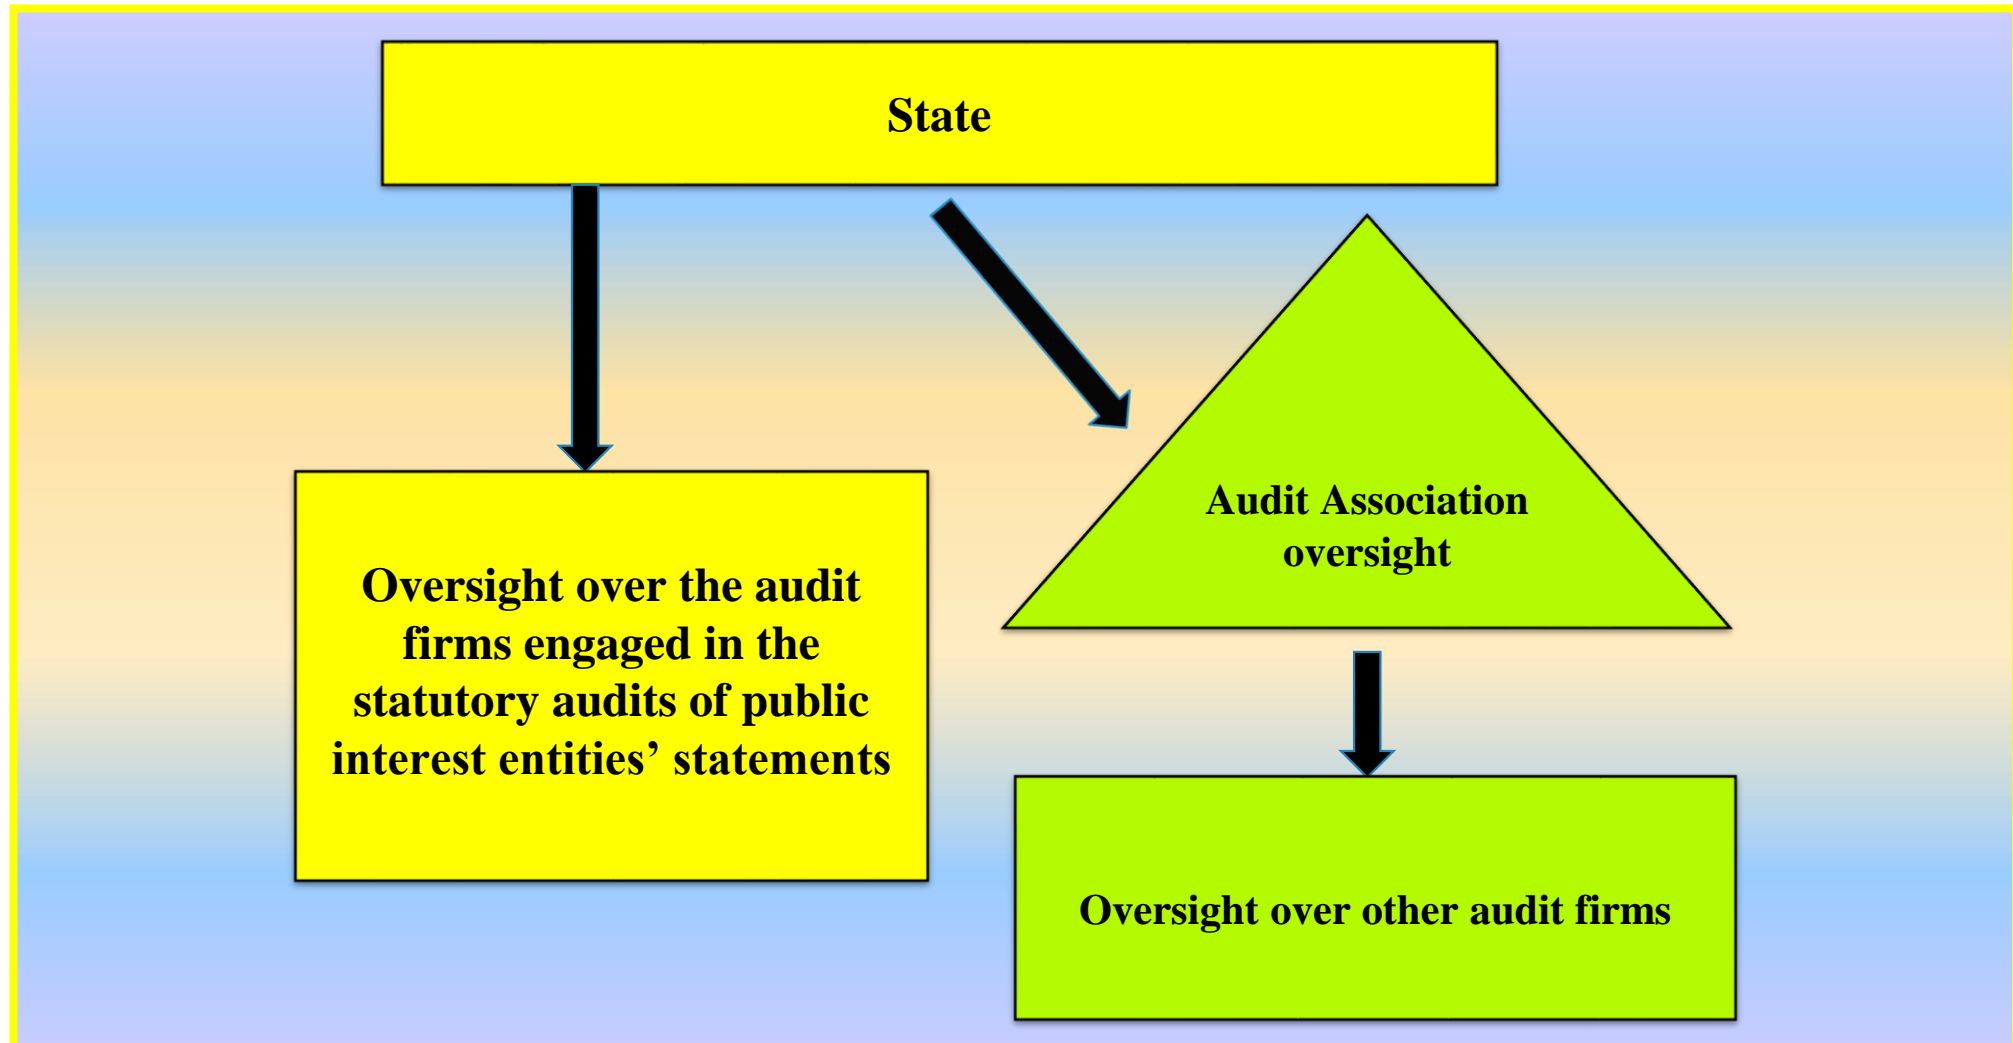

Has introduced new Article 8 Audit Association, which determines the legal status, functions, and obligations of the Audit Association.

As per the draft Law, the Audit Association is a non-profit organization based on the membership of audit firms and self-employed auditors.

Membership in the Audit Association is mandatory for the audit firms and self-employed auditors engaged in statutory audits.

Audit Association is obliged to establish specialized bodies of the Audit Association engaged in the audit firms and self-employed auditors quality assurance and assurance of compliance by the Audit Association members with the audit legislation requirements, Audit Association internal audit rules, Code of Professional Ethics of Auditors, and consideration of cases regarding disciplinary actions against the Audit Association members.

Audit Oversight

Amendments planned to be introduced to the Code of Administrative Offences of the Republic of Belarus

Introduce liability in the form of administrative penalties for:

- **Audits conducted by an audit firm manager of which does not hold auditor qualification certificate;**
- **Breach of requirements to the number of audit firm auditor staff**
- **Audits conducted by an audit firm involving employees who are not the audit firm staff;**
- **Violation of the national audit rules and the International Standards on Auditing; and**
- **Other.**

The background is a solid orange color with a low-poly, geometric pattern of various triangles and polygons in different shades of orange, creating a textured, crystalline effect.
