VIENNA, NOVEMBER 26, 2018

**WORLD BANK GROUP**  
Governance

Senior Officials Workshop  
26 November, 2018  
Intercontinental Hotel  
Vienna, Austria

# Objective of session

- Discuss key reform themes and issues and exchange views and share knowledge: Hopefully, you can take home a few insights
- Create an article

## The “why” of reform

***“The reforms are needed not only to be aligned with the EU requirements, but to create a business environment strengthened by transparency, with reliable financial information on corporations readily available, widely understood and trusted”*** MoF Serbia

# Capacity of the accounting and auditing system

- What have turned out to be defining issues of current reforms that are putting a significant load on the system for which capacity needs to be built
- What the system will also need to absorb in the coming years.
