

# Regional Integration of Professional Accountancy Bodies

Vickson Ncube (PAFA CEO) and Patrick Kabuya (World Bank)

October 3, 2017 Vienna Institute, Vienna, Austria

**Audit Training of Trainers** 

**EU-REPARIS** is funded by the European Union and is a part of **WB EDIF**.

#### Session outline

Status of accountancy profession in Africa

Why Regional Integration

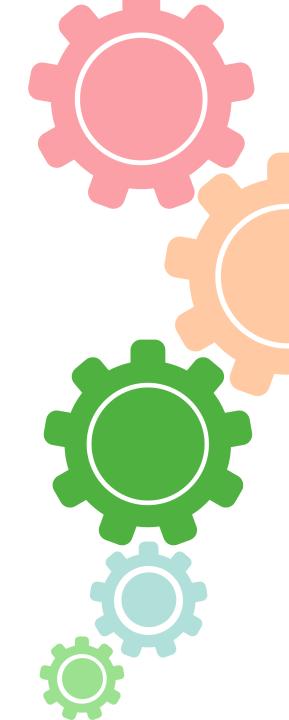

World Bank Response

PAFA Response

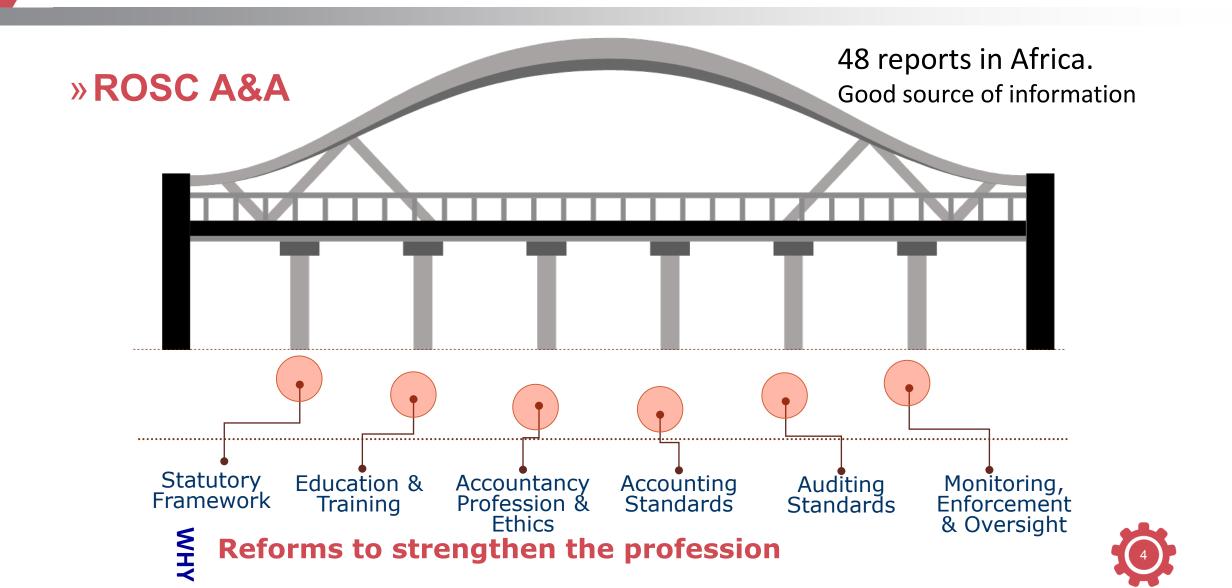

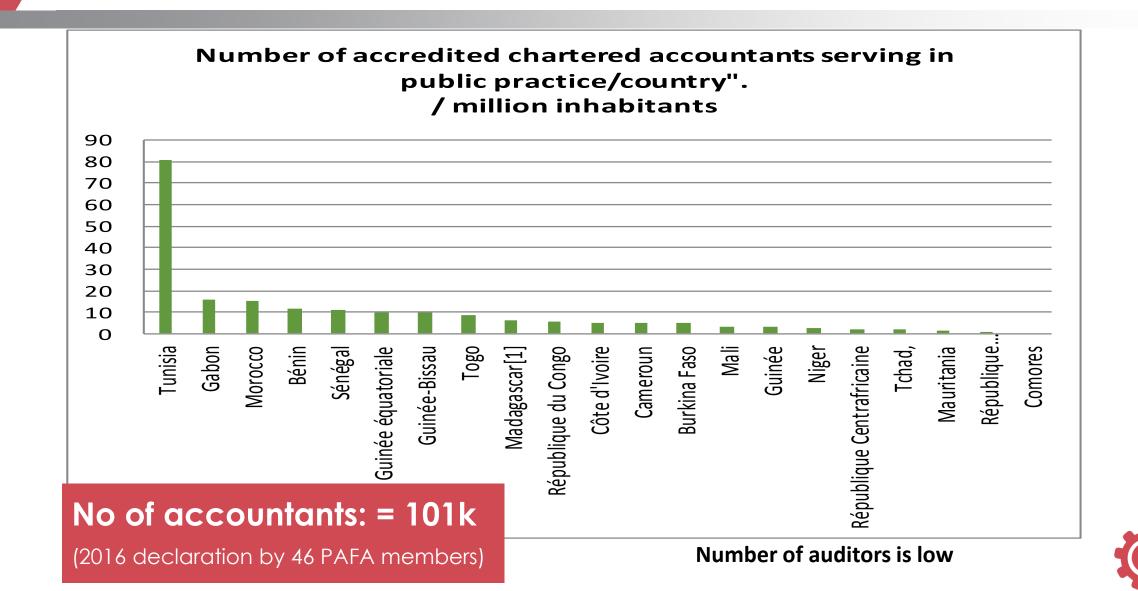

## Status of accountancy profession in Africa

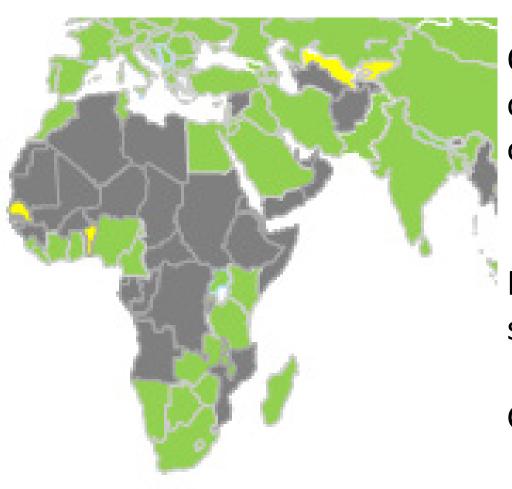

### What is the status of the profession?

#### a. Number of members - develop more accountants

#### b. Number of PAOs – strengthen institutions

Only 23 PAOs from 22 countries are full members or associates of IFAC

Human, financial and systems capacity constraints

Governance challenges

### Key thematic findings

d. Audit regulators — independent vs self regulation

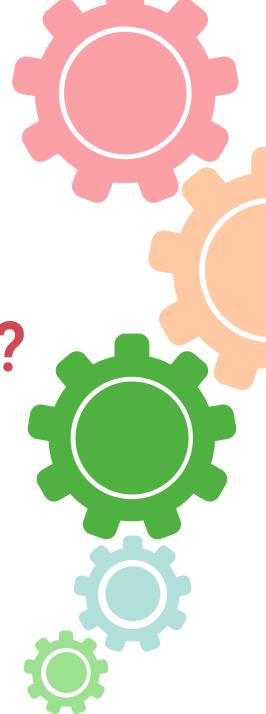

e. Qualifications: types, training institutions

f. Compliance with standards

g. Weak monitoring and enforcement

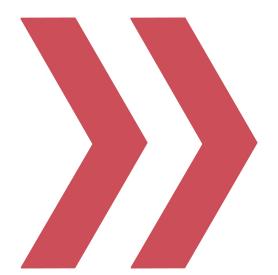

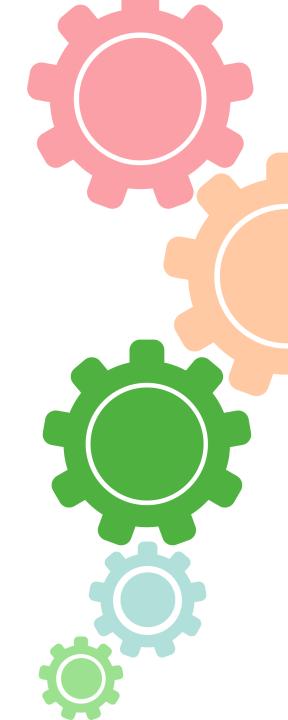

### Benefits of Regional Integration

- » Voice for the profession: regional and global agenda's
- » Influence standard setting process globally (research, comment letters)
- » Effective use of limited resources
  - Guidelines and tools developed centrally and shared.
  - Central resource center of excellent
- » Efficient sharing of experiences regional events, conferences
- » Regional qualifications with global recognition increase intra-Africa trade in professional services.

### What is WB response

## Partnerships

**Global** 

**IFAC** 

**IASB** 

Regional

PAFA

Economic Blocks

**National** 

**PAOs** 

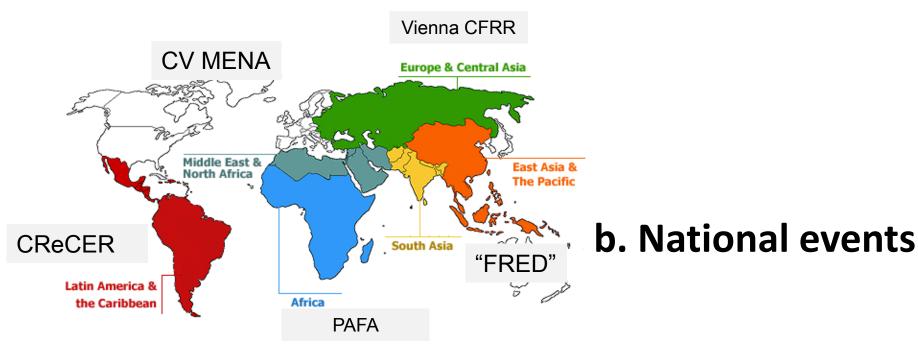

Regulators

"We are engaging in smart and effective collaborations to achieve the desired results - end poverty"

### 2. Knowledge sharing

#### a. Regional Conferences

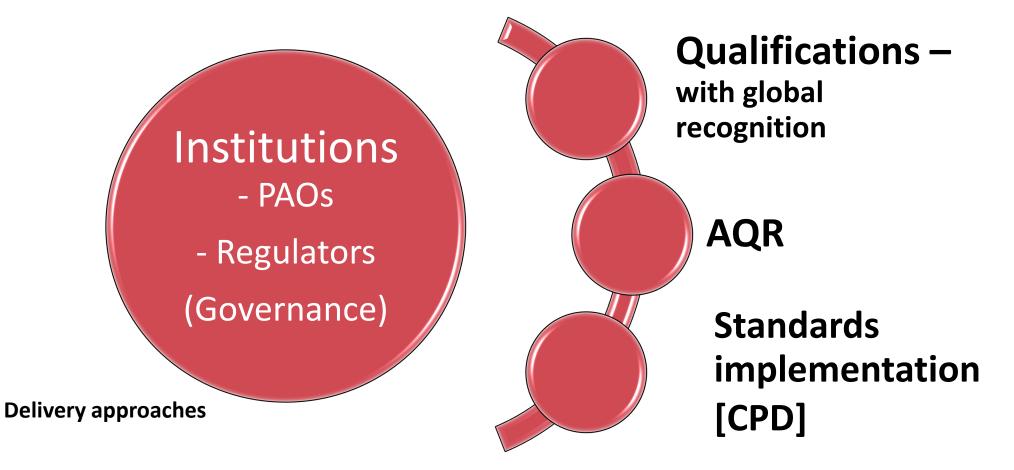

#### c. South-South peer learning:

"We should learn from others, adapt to our circumstances & implement to strengthen the profession"

### 3. Funding – Technical assistance

#### Grant and loan funded projects across Africa

## We adopt effective and sustainable delivery approaches

Twinning arrangements

Regional Approach

- coordinated with

National

Long term vs one-off training

CIPFA The Chartered Institute of Public Finance & Accountancy

### 4. Challenging the profession to:

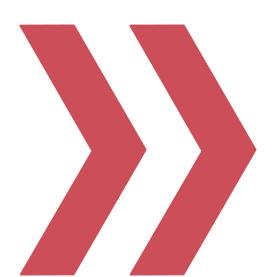

a. Enhance demand for accountancy services

b. Build accountancy profession brand

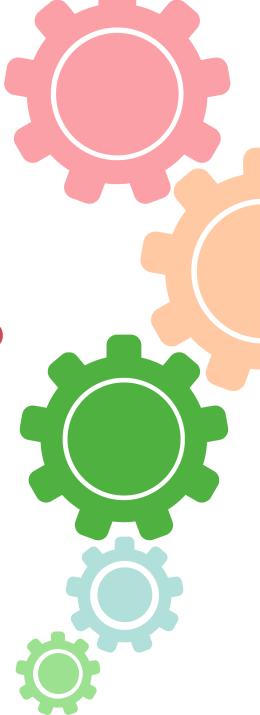

c. Lift the game: thought leadership in national agenda

d. Youth attraction

### What is PAFAs response?

#### Knowledge sharing sessions:

Partnerships: WB, AfDB, IFAC, OHADA, FIDEF, Regional PAOs
