

# Kyrgyz Republic Integrated State-Owned Enterprises Framework Assessment (iSOEF): Report Presentation

February 10, 2022  
Virtual: Zoom

As part of its technical assistance in promoting transparency, financial accountability and efficiency of State-Owned Enterprises in the Kyrgyz Republic, the World Bank, the Ministry of Economy and Commerce and the State Assets Management Fund are holding this joint presentation of the Integrated SOE Framework Assessment (iSOEF).

Completed in 2021, the iSOEF report analyzes the economic impact of Kyrgyz SOEs on the economy, assesses fiscal costs and risks stemming from SOEs with a focus on the energy sector, and analyzes corporate governance and financial reporting frameworks and practices applied by Kyrgyz SOEs. The report identifies ways to strengthen SOEs performance monitoring and corporate governance, as contributing factors to improving their efficiency and contribution to the Kyrgyz economy. The event will present the main findings of the iSOEF report and feature policy discussions about the existing challenges and the main priority areas for SOE reforms going forward. For Zoom link, please refer below.

The event is delivered as part of the World Bank's technical assistance under Kyrgyz Audit and Reporting Enhancement Project (KAREP), funded by the Swiss State Secretariat for Economic Affairs (SECO).
