

Foundational Accounting and Financial Management  
Skills Enhancement (FASE) Program

# **WORKSHOP AGENDA**

15 June 2022

Hosted by World Bank and Austria Ministry of Finance

Foundational Accounting and Financial Management  
Skills Enhancement (FASE) Program

## **WORKSHOP AGENDA**

Wednesday, 15 June 2022, 14:00 – 16:00 GMT  
Hosted by World Bank and Austria Ministry of Finance

### **OBJECTIVE**

- To share experiences in designing and implementing accounting technician qualifications in 5 countries: Burkina Faso, Côte d'Ivoire, Morocco, Sénégal and Tunisia,
- To identify key challenges of implementing accounting technician qualifications and propose appropriate mitigating measures.

### **OVERVIEW**

The World Bank is implementing a Foundational Accounting and Financial Management Skills Enhancement (FASE) project funded by the Austria Ministry of Finance. The project's objective is to develop more qualified and certified accounting technicians to serve Africa's public and private sectors: a key pillar for improving accountability and transparency.

The first stream of the project work relates to supporting five countries (Burkina Faso, Côte d'Ivoire, Morocco, Sénégal, and Tunisia) to develop and rollout accounting technician qualifications. The project activities involve designing or revising accounting technician qualifications/certificates, strengthening working relationships between professional accounting organizations (PAOs) and training institutions, and strengthening the PAOs' infrastructure and capacity to implement the qualifications. A lot of progress has been made in implementing these activities.

Target participants are:

- Board/Council members and senior management from the 5 PAOs.
- Representatives from the training institutions involved in delivering the new or revised accounting technician qualifications
- Consultants involved in the project.
- PAFA, FIDEF and IFAC representatives
- Austria Ministry of Finance
- World Bank representatives

# REGISTRATION

Welcome! You are invited to join a meeting: Virtual Knowledge-sharing Event: The Foundational Accounting and Financial Management Skills Enhancement (FASE) Program. After registering, you will receive a confirmation email about joining the meeting.
