9th JOINT EDUCATION AND FINANCIAL REPORTING COMMUNITIES OF PRACTICE WORKSHOP

June 5-7, 2024, Azul Beach Resort Montenegro, Velika Plaža, 85360, Ulcinj,
Montenegro

FOREWORD

The PULSAR Program, launched in 2017, is a regional and country-level program for 13 beneficiary countries in Europe and Central Asia. Its objective is to support the enhancement of Public Sector Accounting (PSA) and financial reporting frameworks, in line with international standards and in accordance with good practices, to improve government accountability, transparency, and performance.

The objectives and scope of the PULSAR Program are jointly determined by the PULSAR Partners – Austria, Switzerland, and the World Bank – who also provide institutional support for its implementation and mobilize the resources needed for its activities. Beneficiary countries help shape the PULSAR Program through regional cooperation platforms and inputs to the two Communities of Practice (CoP): the FinCoP and Education Community of Practice (EduCoP).

Based on the list of priority topics discussed in the previous events, the main topics to be covered during this ninth workshop will be: (i) link between Public Asset Management (PAM), Public Investment Management (PIM), and PSA; (ii) IPSASB news and recent developments; (iii) role of internal and external auditors to support PSA reforms; (iv) sustainability reporting in public sector.

The main objectives of the workshop will be focusing on:

- Explore and discuss the link between PAM, PIM, and PSA.
- Explore and discuss the role of internal and external auditors to support PSA reforms.
- Present the latest IPSASB news and developments.
- Present the key findings and conclusions of the latest joint PULSAR and Korean Institute of Public Finance (KIPF) knowledge product, entitled “Implications of Sustainability Reporting on PSA”.

- Discussing the next steps for both EduCoP and FinCoP work programs.

Note: Simultaneous interpretation will be available in Albanian, Bosnian/Croatian/Serbian, and Russian.
