## *TURKISH EXPERIENCES AFTER T O T WORKSHOP*

As soon as we returned to our country, we had several meetings with the head of central harmonization unit and his team. Also news about the workshop was posted on the website of the Internal Audit Coordination Board. [haber.png](#)

We shared the experiences we had in the workshop and handed the training materials for translation. In the following month the translation has been finished. [IA ToT Case Study Orotavia \(Fundamentals\) TR.docx](#)

During the meetings we all tried to draw a road maps for the trainings to be given. We discuss whether the trainings should be given to small or large groups.

The Ministry of Finance has constructed a big convention center in Ankara to held trainings, meetings and conferences for the public sector. Head of CHU wanted us to give trainings on the subject of internal audit which will be performed at this center to the internal auditors and also to the senior executives in the public.

We encouraged our colleagues to participate in distance education by Webex connection and also have forwarded them the Internal Audit Training of Trainers webpage addresses where all workshop materials are available. [webex.jpg](#)
