- Present in 100 countries

IFC is the largest global development institution focused exclusively on the private sector in developing countries.

FY15 LONG-TERM INVESTMENT COMMITMENTS: \$17.7 Billion

Note: IFC changed its reporting practice regarding investment amounts, beginning in the current fiscal year. To align our approach with that of commercial banks, we now report short-term finance investments separately from long-term investments. Short-term investments are reported as the average outstanding balance for the year. This chart reflects five years' worth of data, calculated under the new reporting policy.
